The Central California U.S. Green Building Council Chapter
and Coalition for Clean Air are pleased to offer the
VALLEY GO GREEN (VGG) SUMMIT
CREATIVE SOLUTIONS FOR A SUSTAINABLE FUTURE
FEBRUARY 23, 2012
SCE ENERGY EDUCATION CENTER (AGTAG), TULARE, CA

Registration is free to anyone interested in learning about creating a sustainable Valley. Representatives of local government, education, economic development, non-profit organizations, construction, and design industries are encouraged to attend.

VGG is sponsored by Southern California Edison (SCE).

Featuring Guest Speaker Terry Tamminen, President/Founder of Seventh Generation Advisors.

For more information, visit:
www.seventhgenerationadvisors.org

Registration starts at 8:00 am, and the expo booths will be available from 8:00am to 6:00pm.

Join us for a social networking opportunity from 4-6 p.m., including raffle prizes and more!

For corporate sponsorships, please contact
Terra Mortensen at:
tmortensen@precisioneng.net

To secure a booth at VGG, contact
Gordon Smith at: gsmith@ecoact.org
NO LATER THAN FEB. 16, 2012

Valley Go Green will provide information, education, and brainstorming on the following topics:

- Lifecycle Costing: Investing in High performance upgrades in a down economy
- Funding Commercial Energy Projects
- Designing the Net Zero Building
- CalGreen and LEED
- Funding Residential Green Energy Projects
- Commercial Utility Rebate and Tax Incentive Programs
- Solar: Rebates and Financing Options
- Integrating Sustainability and Education
- Sustainable/Renewable Energy: The unusual suspects

VGG includes a lunch panel regarding "Getting Started with Renewable Energy and Energy Efficiency". The panel includes:

- Jeanne Clinton, Special Advisor to the Governor for Energy Efficiency
- Tom Jordan, Senior Policy Advisor at the San Joaquin Valley Unified Air Pollution Control District
- Commissioner Karen Douglas, California Energy Commission
- Steve Rapada, San Joaquin Valley College
